VOLUME 11 ISSUE 5 NOV 2011

Thoughts From The District Governor *Jimmy Richardson*

We just completed our second cabinet meeting in Center and we all owe the Center Lions Club a big thank you for sponsoring the meeting. I thought it was a very good meeting, highlighted by our speakers Sarah and Susie Gray. Sarah is diabetic and attended her first Lions Camp this year. Her firsthand story, and her Mothers reflection on how difficult it is for a parent to “trust” someone else to take care of their child couldn’t help but to touch your heart. As for business we appointed Lion Chester Garner to serve out the remainder of the year as 1st VDG while Lion Duncan Parish will serve out the remainder of the year as 2nd VDG. I am so sorry that Lion Ben Powell had to withdraw, we will miss his leadership. I am, however happy with the team as it stands now. We will have a need for a trustee from the North for the Eye Bank for next year. This is an elected position. It requires a resolution from your home club to get on the ballot in the spring.

Remember, you have until Nov. 15 to get your peace poster to me for judging. If your club plans to sponsor someone in the youth contests they will have to be ready at the midwinter conference in Livingston Jan. 21.

The categories are:

Diabetes Awareness Essay Contest

Education, Prevention, Detection, and Treatment – Type 2 Diabetes

Drug Awareness Speech Contest

Criminalization or Rehabilitation

Outstanding Youth Contest

I will be on my way to Round Rock this weekend for our second State Cabinet Meeting.

“I BELIVE” Dr, Tam, our new International President believes that every Lion can make a difference, but together we can change the world.

Lets try to make someone’s world a better place this year.

Serving Together,
Jimmy Richardson

LEADERSHIP IS NOT ABOUT THE LEADER

by *Wing-Kun Tam*

President, The International Association of Lions Clubs

As the owner of an international cargo company, I understand all the skills, resources and assets required to successfully compete in the marketplace and deliver goods on time. How it all comes together is the result of planning, communication and execution. It happens by design, not by accident. It takes many people working together. As the owner, I am the leader. But I understand that every employee is important. Every worker has a job to do. Everyone on the payroll has a skill to contribute.

As president of Lions Clubs International, I lead 1.35 million Lions. But I understand that leadership is about ensuring the full participation and encouraging the enthusiasm of all Lions. Every Lion matters. We've been able to save millions from blindness, deliver food and water to multitudes of disaster victims and teach millions of youth life skills because Lions have believed in service and believed in the necessity of action.

It's been said that a good leader inspires others with confidence in him while a great leader inspires others with confidence in themselves. This year I want club presidents to really step forward and inspire Lions to completely believe in themselves, to believe in the power of courage, commitment and action. I am asking Lions to step forward and take advantage of LCI's many valuable leadership training tools. Our online [Leadership Resource Center](#) can enhance the efforts of Lions leaders at the club, zone and district levels. We must identify leaders among us in our Lions family and then they must cultivate their potential through training.

This year I have been conducting many president-meets-the-presidents meetings. I want to listen to Lions, learn from you, motivate you and be motivated by you. As your international president, I have the duty to support Lions of the world, to listen to your needs, to show you I care, to make your service easier and to help your dreams come true. That's why I am meeting with presidents and why one of my themes is my club, my family.

If I am unable to visit your Lions family, I want you to know I believe in you and your capabilities as Lions. Together we can continue to change the lives of millions of people.

Beaumont Lions

Beaumont Lions participated in Sightnight 2011 held in conjunction with "Trunk or Treat" at Wesley UMC on the corner of Major Dr and Folsom in Beaumont on Halloween Night. We had members from Beaumont Breakfast, Beaumont South/Forest Park and Silsbee. We passed out candy, toys, and Lions Club brochures. PDG Fred Renkema let us borrow his bean bag toss and the kids had a blast. Thanks Fred. We had a lot of fun and hopefully we can do it again next year.

2nd Cabinet Meeting at Center, Texas

DG Richardson presenting IPDG Browning with a Certificate of Appreciation from LCI President

IPDG Browning Presenting TLF Fellow to Lion Robert Blackburn for Beaumont Breakfast Club contest for Governor's Membership Retention Plus Growth for last year.

Miss Sarah Gray who spoke at the meeting regarding her trip to the Texas Lions Camp this past summer - her first visit - her mother, Susie Gray also gave her account from the prospective of a parent sending their child to camp for the first time.

TLERC “By the Numbers”

If you read the “In the Spotlight” Lions News Briefs this month in the “Lion” magazine, you would see some numbers like these in the “By the Numbers” section: **775** (volunteer hours worked on a project by one club), **10,000** (pounds of vegetables sent to Joplin, Mo after the tornado), **13** (pigs cooked to raise money for the needy), and **7,536** (hats, mittens, scarves & mittens collected for the poor).

Well, TLERC also has some pretty important numbers this month: **14** (the age in months of a Down Syndrome child, who needed glasses), **48** (the popular distance that the tiny frames will have to accommodate), **+4** (the prescription in diopters needed in both eyes), **43** (the child’s head measurement in centimeters), **5,761** (the distance in miles that one small pair of glasses traveled from TLERC in Midland, Texas to Bratislava, Slovakia).

Everyone has heard how something was accomplished, because somebody “knew a guy, who knew someone, who had a friend”, etc. Well luckily that “someone” at the end this time was Lion Marie Bryan, TLERC’s San Angelo Satellite Manager. It didn’t take long for Lion Marie to get the wheels in motion. Soon a tiny pair of glasses was made at TLERC’s lab and then sent on its way to 14 month old Maximilian Franz Zwirn in Slovakia.

Slovakia has an optometry industry, but as a struggling nation trying to rebuild after years of conflict, its inventory is limited. The young boy’s mother could not find frames with a strap that were small enough for an active toddler.

It is amazing that TLERC’s Children’s Eyeglass Program with its state of the art lab is becoming known around the world, yet we have Club’s in MD2 that do not know we can put new glasses on needy children. This leads me to some more numbers: **14** (the number in dollars it takes to make a new pair of glasses for a child - actually \$14-\$18/pair), **1,000** (the number of new glasses TLERC cut last year for children).

However, if we are going to do everything “By the Numbers”, **there is only one number that means anything: 1** (the number of **each individual** adult or child that you **serve**, when you recycle glasses, hold adult eye screenings, put new glasses on needy children, or contribute to TLERC’s Focus Club, Visionary Knights of the Blind, or Fellowship giving programs).

Lions Clubs International **FOUNDATION**

This month we celebrate Lions World Sight Day and our commitment to saving sight around the world. This month I am also happy to share with you a new health initiative.

I am sure you have heard of the deadly disease measles. The terrible truth is that 450 children die each day from this disease. You may not know that a devastating complication from this disease is blindness. This is just another reason that as Lions we join the fight to stop this disease to save lives and prevent childhood blindness.

Last year we joined the Measles Initiative, a collaborative effort of several leading organizations to eliminate measles. In less than 10 years, this August, the 1 billionth child was vaccinated through this initiative. While measles has been reduced by 78 percent since 2001, the World Health Organization estimates that decreasing support could result in 500,000 more deaths each year if the present progress rolls back to pre-2000 levels.

Our pilot year was a great success! Lions and our partners vaccinated 41 million children in four countries. Now we must expand these efforts to reach even more children in more countries. In a survey of Lions members, 90 percent expressed the desire to continue this program.

This is now possible thanks to a commitment by our partner, the Gates Foundation. The Gates Foundation is awarding us US\$5 million for the program this year, the largest single donation in our history. The Gates Foundation will do this by matching every US\$2 that we raise with US\$1. We have set a combined goal of providing US\$15 million toward this initiative.

I ask that you encourage your club and district to get involved. Please help us to meet our goal of providing US\$15 million for the Lions' Measles program this year. You can support this program at www.lcif.org/donate or [learn more online](#). Your donation is MJF eligible.

The Lions Clubs International web site is where you can get the applications and information on these contests.

We were glad to add another volunteer to our list of people serving at the screenings, Dr. Mike DeRouen, MDO. He is a retired Optometrist from Beaumont."

CLUB ACTIVITY REPORTS

Beaumont Breakfast Lions Club

The Breakfast Lions attended two vision screenings in October. One in Hemphill and one in San Augustine. We attended the Zone 3B meeting at Willy Ray's BBQ on Oct. 20th. We attended the Cabinet Meeting in Center on Oct. 22nd. We collected five more boxes of glasses and are going through them. We are beginning work on our Ninth Annual Bowling Tournament on Feb. 11th, 2012 in Beaumont. We are also participating in the Lions Strides: Walk for Diabetes Awareness planning committee. We are also part of the group that will attend the March 31st Lions Camp Workday to cook. There is a lot going on right now and here comes the Holiday Season.

Garrison Lions Club

October 22, 2011 - 61st Garrison Lions Club Homecoming (major fund raiser). Lion G. W. Jones named Citizen of the Year. Many non-Lion volunteers assisted with the Homecoming activities. Club Secretary Dr. Bonita Lowrie, PDG, received a letter of thanks from LCI for serving as Webmaster in the e-club program. Lion Ed Stiles, Zone 1-A Chair, has arranged for the Garrison Lions to host the second meeting November 3. District Governor James Richardson will make his official visit November 29.

Kirbyville Lions Club

The most exciting thing about our club is that we have DG Jimmy Richardson as a member. Something else that we did was too install 2 new members to our club. By the way they are ladies. Their sponsor is Lion Lanette Hall. DG Jimmy Richardson, his wife Betty, PDG Doyel Chandler, and Lion Diane Smith went to the Cabinet Meeting in Center. It was really a good meeting. For the ones who weren't able to attend, you missed 2 excellent speakers. We had a successful fish fry. We picked our Peace Poster winners. The first place will go on to the District Contest. We are in the process of getting ready for our Christmas In The Park. It will be November 26. We will be drawing for 2 guns that day. We lost a long time, faithful Lion. Lion Carl Morgan passed away. He will be missed. Please keep his family in prayer.

Nederland Professional Lions Club

In October we were blessed to Celebrate six members Birthdays. Thank you Lion Linda Sedtal for providing the wonderful cake. PDG Fred Renkema reported we made \$323.00 on our White Cane. Lion Linda passed out poinsettias forms. We hit the road getting orders. Lion David Kay sent in our endowment money for the camp. Yes we are proud. Our tail twister Lion Kaki is really building up the \$\$\$\$. We welcomed new visitors Debbie and Travis Seymour. Lion Linda and Lion Jack Sedtal will be sponsoring them as new members this month. Third Thursday was great fun and a success. Looking forward to those Big Turkey Legs in December. November will be another busy month of work, fun and fellowship.

Port Arthur Founders

On October 14 Terrie Looney, a Marine Biologist, presented a very informative presentation all about the different aspects of water in our area - Beaumont Port, Port Arthur Port, sporting activities, etc. On October 28 Carolyn Thibodeaux from the Port Arthur Public Library spoke about her job with the library's activities for children. Five peace posters from art class at St. Catherine School in Port Arthur were submitted to the club for approval. First place poster by Priscilla Parr will be submitted to the district contest. Lion Barbara Batty is Chairperson for the tree planting committee. She will be planting live oak seeds so that we will have seedlings for our tree planting project in the spring. Six trees were planted this month. Four members participated in two eye screenings. Four children and two adults were given eye exams and glasses.

Rusk Lions Club

Rusk Lions attended at the Bingo Booth at the local County Fair, completed a Rifle Raffle, raising \$2,000 for the Rusk High School Scholarship Fund, sent 1 Lion to the 2nd Cabinet meeting, donated 292 pairs of used eyeglasses, paid the 100% Club dues, held a rummage sale and a Cub Scout Halloween Carnival, enjoyed programs about local Red Cross activities and VFW Post Operation Uplink phone service for active-duty soldiers. Planning is underway to entertain the DG, host the Zone meeting, hold a holiday grocery raffle and donate Thanksgiving dinner baskets to 3 local families. "WE SERVE"

Sour Lake Lions Club

Seven members attended a zone meeting in Beaumont October 20th. The student we sponsored to attend the diabetic session of Texas Lions Camp spoke at our club meeting this month. He has gone several times previously and hopes to go again as long as he can because he loves it so much; he feels like everyone else there and not different like he feels at school with the other students. He and his family are very grateful for this opportunity. We will probably have a food booth and a float for a Christmas parade in Sour Lake in December. Several members plan to help other members from our district cook at Texas Lions Camp workday March 31st.

South County Breakfast Lions
